

SNAKE CHARMER, Ceylon.

LL11490

CEYLON
Series IV

TUCK'S POST CARD

CARTE POSTALE

By Appointment

Snake Charmer. The itinerant snake charmers of the East are impudent, and with marvellous instinct detect, and mark for their special prey, those newly arrived in the East. With weird sounding pipes they appear to exercise a hypnotic influence over their cobras. These reptiles are well under control, although it is not always a *sine qua non* that their poison fangs have been removed.

Snake Charmers. The itinerant snake charmers of the East are importunate, and with非凡的机智 detect, and mark for their special prey, those newly arrived in the East. With weird-sounding pipes they appear to exercise a hypnotic influence over their cobras. These reptiles are well under control, although it is not always a *sine qua non* that their poison fangs have been removed.
